### About competition

Artistar Jewels 2017 is the 4th edition of the [Jewellery competition](#), project realized by Artistar.it, this year officially opens the door to talented jewels designers to submit their best works.

### What are they looking for?

Artistar Jewels 2017 is at its 4th edition, the project is characterized by innovative [Jewellery competition](#) and important news aimed at increasing the visibility of the project and its participants.

Artistar Jewels 2017 is conceived in the same way that was so successful in the former editions: an international volume including international artists, a show organized in a prestigious location in Milan and the selling of the selected jewels on the online shop [Artistarjewels.com](#).

In order to take a part to the selection for Artistar Jewels 2017, the candidates have to send a brief biography and some pictures of the jewels the artist wants to submit along with a technical and conceptual of the creation.

#### The parameters kept in consideration for selection:

- unique pieces or pieces produced in small series
- jewels with a recognizable style
- creations made of traditional materials interpreted under an original and personal view, or pieces realized with innovative materials.

Designers can submit to the team of Artistar.it eight/ten jewels of the latest collections. The Artistar will select 2 or 4 of them depending on the kind of participation package designers choose.

### Who can submit?

This competition is dedicated for all talented jewels designers.

### Prize for the winners!

The editorial staff will make a selection of the best art creations of the artists and designers.

Three participants chosen by the jury will take a part for free to the project Artistar Jewels 2018 and will also have a dedicated area in the 2018 book special contents.

One selected participant, will contribute to the creation of a jewel produced by the maison De Liguoro.

One selected participant, will take a part for free to the course of a jewel produced of Professional Goldsmithing offered as an award by the Scuola Orafa Ambrosiana di Milano. 30 jewels will be selected for a moving exhibition in the galleries in Bologna and Torino.
